HRC

D.O.letter No.767 dated 23rd March 1942 from the Vice President, Government Ayurvedic and Unani College, Mysore to the Muzrai Commissioner in Mysore, Bangalore.

Subject:-- proposals for the appointment of Ayurvedic Superintendent in the Government Ayurvedic and Unani College, Mysore.

I write to state that the post of the Ayurvedic Superintendent is vacant from 1st July 1941 and the Unani Superintendent is placed in temporary charge of the Ayurvedic Section from October 1941 as per instructions conveyed in your letter No.C. 384/10-41 dated 11th October 1941.

2. The principal has in his letter No.295 dated 5th March 1942 proposed that Mr.S.Venkatanarayana Rao,L.M.P.,L.A.M.S., Ayurvedic Pandit or Lecturer on Rs.50-5-75 may be appointed to act as Superintendent for one year in the first instance and that Mr.J.Venkatacharya who is now acting in the 40-4-60 grade against the vacancy of the Ayurvedic Superintendent may be posted in place of Mr.Venkatanarayana Rao.

3.Mr.Venkatanarayana Rao was appointed as Lecturer on Rs.50-5-75, on probation for one year from 2nd January 1941 and he was confirmed in his appointment only recently in your order No.C.1174 dated 26th February 1942. On accout of his very short service and comparatively short experience, I am of the opinion that this recommendation for the present, cannot be approved. As regards Pandits or Lecturers who have put in longer service in the College, there are only two such persons viz.,Messrs. Rajagiri Iyengar and K.N.Rama Iyer. Their record of service as reported by the Principal not being satisfactory, their names have not been suggested.

4. I/propose therefore that the vacancy of the Superintendent may be advertised in the Gazette, the qualifications required being a pass in the M.B.P.S. examination and also the L.A.M.S. or any other examination of any recognised Ayurvedic College in India. I understand that persons possessing such qualifications are available.

5. Mr.Venkatacharya who will be thrown out when a new person is appointed Superintendent, may if possible, be provided

provided in a suitable vacancy in giving effect to the scheme of Ayurvedic Hospital for Bangalore. He had been appointed in the chain of arrangements consequent on the temporary promotion of Mr.Biligiri Iyengar as Superintendent and no permanent appointment had been guaranteed to him. He has therefore to take his chance.

6. If a person who has passed M.B.B.S. and L.A.M.S. is found to be not readily available, the post of the Ayurvedic Superintendent may be kept vacant, the work of the Superintendent being attended to by one of the Senior Pandits with a small duty allowance as a temporary measure.

7. I request that early orders of Government may kindly be obtained in the matter.

Govt. Ayurvedic & Unani College,
Mysore, dated 5th March 1942.

To

The Vice-President,
Govt. Ayurvedic & Unani
College Committee, MYSORE.

Sir,

Subject: Regarding the filling up of the vacancy of the Superintendent, Govt. Ayurvedic Hospital, Mysore, in grade 100-10-150 plus the Resident Medical Officer's allowance of Rs.25/- per mensem attached to the post.

With reference to the above subject and the last sentence in the final para of my report No. 240 dated 26-1-42 stating that proposals for the filling up of the existing vacancy of the Ayurvedic Superintendent would be ~~xxxx~~ submitted during February 1942, I have the honour to state that the post under question is vacant since 1-7-41 being the date of reversion of Mr. V. Biligiri Iyengar and Mr. J. Venkatacharya, L.A.M.S., and L.M.P.; who was appointed as acting lecturer in Muzrai Commissioner's Order No. C. 364/40-41 dated 9-4-41 is being continued against this vacancy since 1-7-41.

2. The post of the Ayurvedic Superintendent requires a candidate who is qualified both in the Eastern and Western systems of Medicines having regards to the allopathic training given in this institution as also to the responsibilities status and pay attached to the post. There are already two doubly qualified medical officers in this institution, namely, Messrs. S. Venkatanarayana Rao and J. Venkatacharya, both possessing L.A.M.S., and L.M.P., qualifications. The former holds the permanent appointment of the Ayurvedic and Allopathics Lecturer in grade 50-5-75 and will get Rs.55/- in this grade with effect from 2-1-42 if the first increment due on that date is sanctioned, while the latter is working as an acting lecturer on Rs.50/- per mensem against the existing vacancy of the Ayurvedic Superintendent. The work of both of them in their present respective appointments is satisfactory and if the existing post is filled up by promotion, especially in an institution like this, where there are remote chances of promotions due to the limited number of appointments, such a course would not only work as an incentive for future good work but also conduce to greater efficiency.
